Capabilities narrative

Herzog Veneers, a women-owned company, leads in sustainable wood veneer production. We specialize in LithoWood, a UV-resistant paperbacked veneer with ultra high-resolution rare wood printed patterns. Our core competencies include dyed veneers in stock & custom colors, sourcing 60+ diverse wood species from around the world, bespoke lumber sourcing, and advanced printing on wood technology. We provide tailored solutions for furniture, interior design, and architecture. With a commitment to quality, sustainability, and innovation, Herzog Veneers ensures reliable, high-quality products that meet unique client needs.
